Sponsored by Keri Seay Events - Word of Mouth Referral Properties - Naked Marketing, LLC

Charleston's Spring Festival & Car Show, May 16, 2021, presented by Keri Seay Events is fully prepared to plan and operate a safe event for exhibitors and attendees while responsibly addressing and acting on restrictions and guidelines set forth by the CDC, the State of South Carolina, the City of Mount Pleasant and other appropriate health and safety agencies.

This plan will continue to adapt and develop daily as the show dates approach based on the Governors response plans. Additional materials will be created to advertise consumer requirements and restrictions. These will be prominently displayed on the show website, social media, signage at the entrance and throughout the show, as well as in Press Releases and other marketing materials.

- Advertising will announce that all tickets must be downloaded online in advance.
- When downloading tickets on-line, consumers will be required to accept a COVID Liability Waiver: I acknowledge that I am aware of inherent risks involved with attending a public event. I voluntarily agree to assume those risks. I release and hold harmless Keri Seay Events, Omar Shrine Auditorium, participating Sponsors & Vendors and City of Mount Pleasant, it's owners, officers employees, agents or other representatives from any and all claims related to COVID-19. I will not attend the event if I am having a fever, feeling ill or believe that I may have been exposed to COVID-19..
- All attendees will be scanned into the show to monitor traffic flow.
- Exhibitors will be expected to use your discretion as to the number of appropriate staffing of your exhibit space.
- Each exhibitor will be expected to use the three W's of safety in your exhibit space. Wear a mask, wash your hands & Wait 6 ft apart. **SCANNED ENTRY TO MONITOR FLOW ONLINE ONLY TICKETS PHYSICAL DISTANCING AND CONTACT** In addition to limited total number of people on the property at any given time, physical distancing

will be carefully monitored. If lines form for restrooms, food concessions or to access any vendor displays, visual 6-foot spacing markers will be clearly visible on the ground. Signs will discourage physical contact, such as handshakes and embraces, and encourage alternative ways to greet business contacts and colleagues. Distancing Etiquette: • 6 feet minimum between non-related parties • Avoid Physical Contact such as handshakes and embraces. • One-way traffic flow through areas of the show recommended. PERSONAL PROTECTION All participants in the show and entering the show grounds will be required to wear personal protection equipment (PPE) as prescribed by CDC and Health Department regulations. As a private event, the guidelines always dictate the wearing of face coverings regardless if individuals are experiencing no symptoms. • Allowable coverings include a cloth or approved face covering over nose and mouth or an approved clear plastic full-face shield. • Anyone failing to do so will be asked by show staff or security to wear the covering. CDC- approved coverings will be available at show entrance for anyone without their own. CLEANING AND DISINFECTING Auditorium will undertake deep cleaning before, during, and after the show day to ensure the highest standards of hygiene and cleanliness. This includes daily cleaning with the disinfecting sprays and continuous high-touch surface cleaning throughout the day of the event. Our event staff will provide hand sanitizing stations throughout the event space, encouraging all participants to regularly wash and sanitize their hands. An abundant use of signs around the show will stress the importance of regular hand washing. FIRST AID • Show will have on-site a qualified first aid responder. • A separate quarantine area will be available • Participants are asked not to attend if they are feeling unwell, and teams will follow local health authority guidance on detecting and managing anyone who displays symptoms of COVID-19.

EXHIBITOR SAFETY EXPECTATIONS: • COVID19 Safety Response Guidelines: All exhibitors will be required to follow safety requirements outlined by the Charleston Spring Festival & Car Show, Omar Auditorium and City of Mount Pleasant. • Masks: ALL EXHIBITORS ARE

REQUIRED TO WEAR A MASK AT ALL TIMES Omar Auditorium Exhibitors – Charleston Spring Festival & Car Show will require mask while inside the building and from Parking Lot Vendors – Charleston Spring Festival & Car Show requires a mask be worn throughout the entire show. Vendors will need to have extra masks available in their exhibit space • Temperature Checks: Exhibitors will be required to check in at show information for a temperature check. Temperature check will be performed to all exhibit staff at show information with touchless infrared thermometer. Temperatures must be below CDC recommendations of 100.4 F (38.0 C) for entry to the show. • Cleaning: Exhibitors must set up cleaning intervals: Deep clean exhibitor areas prior to the show start. Cars and hard surfaces to be disinfected routinely throughout the day. • Social Distancing: Distancing Etiquette of 6 feet distancing required by non-family members. Avoid physical contact such as handshakes and embraces. • Hand cleansing: All exhibitor booths and cars should be equipped with hand sanitizer and have procedures in place to minimize the number of people in each space. • Crowd control: Maintain strict crowd control in all booth/car spaces. Booth spaces should limit non-family members to 2, plus 2 staff members in all exhibit booths. Bulk Exhibit Space – Distancing etiquette of 6 feet distancing to all non family members. Wear a Mask, wash your Hands and Wait 6ft Apart

OUTSIDE CONTRACTOR EXPECTATIONS: • All outside contractors must submit their employee COVID-19 safety protocols prior to show opening and follow show guidelines. Protocols due to Keri Seay Events Management no later than Wednesday, May 12th, 2021. All employees must follow show guidelines. • Outside food vendors will work to employ the highest standard of food safety. Capacity limits will be set at 50% and social distancing will be maintained by using floor markings and relevant signage.

STAFF EXPECTATIONS: • Enforce the Charleston Spring Festival & Car Show show capacity limits as required by the City of Mount Pleasant and the Omar Auditorium. • Participate in daily health surveys, temperature screenings, and use of required PPE. • Staff must agree to COVID protocols, sign waiver, wear PPE. • Daily cleaning schedule will require for continuous disinfection of door handles and other high touch surfaces using traditional cleaning techniques and disinfecting spray or fogging technology throughout the day. • Maintain multiple points of entrance and exits to ease traffic flow. Flow TBD. • Install hand sanitizing dispensers at entrance, and common areas. • Complete daily questionnaire requiring employees to self-report any symptoms or contact with the virus. • Check employee temperatures with touchless infrared thermometer. Temperatures must be below CDC recommendation of 100.4 F (38.0 C) or staff will be sent home. • Provide staggered breaks to maintain proper employee to employee distances. • Train all staff on new standard operating procedures with guidelines established by operations management
